

Our Mission is to provide subsidized remodeling solutions to families demonstrating a financial hardship as a result of being the victim of contractor fraud, incompetent workmanship or a life changing event.

January 6, 2010

At the very end of December 2009, we received official notice of being granted the status of a 501 (c)(3) Public Charity. We couldn't be happier.

Our goal for 2010 is to firmly establish Remodeling Rescue in the Philadelphia, PA area. We will be working to secure funding, a ready pool of volunteers, build relationships with various trade and local government organizations – all to put us in a position to assist those who qualify for help.

That said, we do not currently have any projects to profile. When we do, they will be posted here.

If you are in a position to make a donation of money, materials and/or labor, please contact me at dave@RemodelingRescue.org .

Thank you for your interest and for your support.

Regards,

David Hollander
